

# 2014 MWGA OOM – Junior

## What is the OOM - Junior?

The Manawatu Wanganui Golf Order of Merit – Junior, is a series of district events used as a selection tool by district selectors for Junior Male Representative sides.

An accumulative points system is used over the course of the season (January 2014 – October 2014).

Points are awarded to eligible players (eligible to represent Manawatu Wanganui as a Junior) at each event.

**Junior Events** – points will be awarded to the first 29 eligible players in relation to finish position.

**Open/National Events** – points will be awarded to eligible players in relation to their finish position. E.G. If you finish 4<sup>th</sup> at the Horowhenua Open and are the top placed junior – you receive points for 4<sup>th</sup> not 1<sup>st</sup>.

Automatic selections for playing positions in our junior male representative sides are available as listed below. Automatic spots will be offered to the first eligible player (most accumulated points) and so on until the automatic quota has been filled. *Selectors reserve the right to exclude players due to behavioural issues or suspension.*

Automatic selections are based on Order of Merit position after the event preceding the next representative match.
