

RECIPROCAL RIGHTS

Reciprocal rights are a privilege extended to members of clubs whose playing opportunities are restricted due to a course being closed to its members on a given day due to the operation of a Manawatu Wanganui Golf or NZ Golf event.

In all cases players wishing to exercise this privilege must contact the club where they wish to play to confirm a booking before arriving at the course.

Reciprocal rights are available for:

Members of the **host** club are allowed the privilege of play at one of the clubs also competing in their respective A, B or Handicap Pennant competition without paying a green fee.
